Dear Dr. Hirfanoglu

We are pleased to inform you that your abstract "344- Might Sleep Spindles Act As Biomarkers For Cognitive And Intellectual Proficiencies In Pediatric Populations?" has been accepted for an e-poster presentation at the ICNC2024 to be held in Cape Town, South Africa from May 6-10, 2024.

Please confirm your approval no later than February 15, 2024, to present an e-poster at the ICNC2024 conference and grant permission for your abstract to be included in our ICNC2024 abstract proceedings. Two judges will oversee your poster session. You will be allotted a total of 5 minutes for your e-poster presentation, consisting of 3 minutes for the spoken presentation and an additional 2 minutes for any questions that may arise.

Please send your reply to icnc2024@icnapedia.org. If we do not receive your response in the allocated time, we will understand that you no longer wish to present your work. We will be providing templates for your e-poster which you can download from our congress website.

As we recognize that certain authors have submitted several abstracts, could you also indicate which author will be presenting your poster. You will be able to find the precise location of your poster in the program in the next few weeks on the congress website
