

Global Summit on Materials Science and Nanoscience

August 04~05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Tetsuya Yamamoto

Kochi University of Technology, Japan

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Design of Carrier Transport and Mechanical Properties
of Polycrystalline Oxide Semiconductors with Thicknesses
Ranging from a Few Nanometers to Micrometers”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

ISEP - School of Engineering
Portugal

Ke Wang

Southern University of Science
and Technology, China

Zonghua Wang

Qingdao University
China

Global Summit on Materials Science and Nanoscience

August 04-05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Elham Faraji

Research Center Julich, Germany

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Quantum Information Transfer in a Bio-Inspired
 α -Helix Network”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

ISEP - School of Engineering
Portugal

Ke Wang

Southern University of Science
and Technology, China

Zonghua Wang

Qingdao University
China

Global Summit on Materials Science and Nanoscience

August 04~05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Junjie He

Yunnan Agricultural University, China

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Technologies for Salt Removal and the Potential
Application Beyond the Desalination of Sea Water”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

ISEP - School of Engineering
Portugal

Ke Wang

Southern University of Science

Qingdao University
China

Global Summit on Materials Science and Nanoscience

August 04-05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Seongwon Han

CEO - Hanwoori Wig, South Korea

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Next-Generation Wig Fibers: A Breakthrough
in Surface Coating Technology”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

ISEP - School of Engineering
Portugal

Ke Wang

Southern University of Science

Qingdao University
China

Global Summit on Materials Science and Nanoscience

August 04~05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Selcuk Poyraz

Adiyaman University, Turkey

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Microwave Energy-Based Hybrid Nanomaterial Preparation
and its Characterization for Relevant
Electrochemical Applications”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

ISEP - School of Engineering
Portugal

Ke Wang

Global Summit on Materials Science and Nanoscience

August 04~05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Hakan Ates

Gazi University, Turkey

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Thin films-Nano Particles: The Basis of Technological
Developments”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members

Raul D.S.G Campilho

Global Summit on Materials Science and Nanoscience

August 04~05, 2025 | Frankfurt, Germany

This Certificate is Presented to

Prof/Dr/Mr/Ms. Jenq-Gong Duh

National Tsing Hua University, Taiwan

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Microstructural Stability Enhancement and Mechanical
Reinforcement of TLP-Bonded Cu/Sn-3.5Ag/Cu
Microbumps Under Multiple Reflow Cycles through Zn
Alloying and Ni Substrate Integration”**

Rina Tannenbaum

Stony Brook University
USA

(Conference Chair)

Fengge Gao

Director - Nanoscience Laboratory,
Nottingham Trent University, UK

(Conference Co-Chair)

Organizing Committee Members
