PARTNER**

4TH INTERNATIONAL CONFERENCE ON ADVANCED MATERIALS AND PROCESS ENGINEERING

KEYNOTE SPEAKER

PROFESSOR HAKAN ATES

Gazi University, Turkey

Dr. Hakan Ates, Professor, was born in Ankara in 1971. He has been working for Gazi University, Department Metallurgical and Materials Engineering. He is an international welding engineer (IWE), and international welding inspector (comprehensive level IWI-C). He was also vice manager of the Gazi KABTEM application and research center. He has memberships to KATED (Welding Technology Society) and TPMA (Turkish Powder Metallurgy Association). In 2014-2015, he performed his postdoctoral studies on Silicon nanoparticles and Silicon nanowires at UIUC. He worked as a researcher and executive in different projects. He has many papers on powder metallurgy and welding engineering and processes, additive manufacturing nanomaterials, and thin films.
